

## Self-service functionality makes managing your group leader account easier

*Streamlined, intuitive navigation and increased flexibility are just some of the advantages of your online group leader account. But there's more!*

## Do more in less time

### Access everything you need in one place

Billing summaries, policy information, employee eligibility, and other materials are available online whenever and wherever you need them. With self-service functionality, accessing all of your documents and health insurance information is easier, cost-effective, and eco-friendly.

### Self-manage customer eligibility

You have complete flexibility and control over your account information. Self-service functionality allows you to:

- Pay bills online
- Make address changes
- Update Coordination of Benefits
- View/order customer ID cards
- Process new enrollments or terminations
- Change coverage
- Facilitate open enrollment
- Sign up for notifications
- Update employee demographics
- View your Summary of Benefits and Coverage (SBC)

### Designate group administrators

Designating additional group leaders, agents, and administrators who can access your online group leader account information is a breeze. Share responsibility for managing your group with others and make your job easier! Make sure to add your agent, broker, or consultant as an administrator to your account for additional support.

Explore and use the self-service functionality of your group leader account and experience the easy access and convenience for yourself.
